## BEAT THE HEAT IN NARRANDERA SHIRE

---

Looking for the perfect place to cool off this weekend? Narrandera Shire Council has you covered. Council's outdoor pools in Barellan and Narrandera will be open this weekend for what are forecast to be 38-39 degree days.

The Lake Talbot Swimming Pool Complex has plenty of shade for family seeking respite from the heat, and offers a variety of fun activities for the whole family. The idyllic bush-side location with an amphitheatre of lawns and panoramic views is the perfect spot for a picnic or barbeque, while the two slides and various pools will keep everyone entertained and cool for hours.

Celebrate the completion of the weed harvesting and a new flush of fresh water into lake with a visit to Lake Talbot. The Lake offers a healthy and safe environment for water skiers and swimmers to enjoy their water sports. The Lake picnic area now offers a new BBQ facility, bathroom facilities and has the capacity for boating trailer specific parking.

The local's secret, Rocky Water Holes, just a few kilometres from town, is a serene location. Its calm waters are ideal for a spot of fishing or canoeing. There are barbeques and a picnic shelter.
