STRONGER COUNTRY COMMUNITIES FUND CHOICE MODELLING SURVEYS

The Office of Premier and Cabinet has announced that representatives will be conducting community surveys regarding the proposed projects put forward by Council for the Stronger Country Communities Fund.

The project titled "Building on Barellan's Best" is a proposal to build change rooms and public amenities at the Barellan Sportsground. The public survey for this project will be held on Wednesday 24 January at the Barellan General Store.

The "A Place for All of Us" project is focused on enhancements at the Marie Bashir Park and the survey will be conducted by Office of Premier and Cabinet personnel at Narrandera Coles on Thursday 1 February 2018.

The purpose of these surveys is for the Officer of Premier and Cabinet to gain a clear indication of the Community's support for each of the projects. Narrandera Shire Council's General Manager is encouraging all members of the community to attend the locations in Barellan and Narrandera to take part in the survey.
