## MAIN STREET FESTOON LIGHTING COMPLETED

Narrandera Shire Council is pleased to announce that the East Street Festoon Lighting Upgrade has now been completed. The project has been a great success and the outcome not only looks great but was completed in time for the upcoming John O'Brien Bush Festival and Annual Rod Run weekend.

The new system is a low voltage LED system which has a much higher bulb life than the old incandescent bulbs resulting in significant savings on maintenance through its lifetime. Using the new LED bulbs will also drastically reduce electricity costs and the entire project cost of \$60,000 is set to be recovered in the next three years.

Thank you to all Narrandera Shire staff and contractors who were involved in the project, the outcome is undeniably luminous!
