Wednesday 21 March 2018

## COUNCIL TO RE-DEVELOP WEBSITE

---

Exciting times are ahead as Council begins an overhaul of the current Narrandera Shire Council website, and we are seeking your feedback. The aim of the new website is to create a platform that is more interactive with the community, has online function facilities and builds on the communication between Council and the Community.

A community survey is currently listed on the Council website homepage with hard copies available at Council Chambers, and community members are encouraged to take part in the five minute survey. The questionnaire consists of ten simple questions about how you currently use the website and how you would like to use the website in the future.

Council greatly appreciates and welcomes all suggestions and remember, the more feedback Council receives, the better the website can be tailored to meet the needs of the residents, visitors and potential investors in the Shire.

The online survey will be available until 4pm Friday 30 March 2018. Once all the research is conducted and feedback received a priority listing will be determined and adopted for the website plan.

For more information please contact Council Chambers on 02 6959 5510 or visit [www.narrandera.nsw.gov.au](http://www.narrandera.nsw.gov.au) . If you would like to simply send through comments or feedback please send this to [council@narrandera.nsw.gov.au](mailto:council@narrandera.nsw.gov.au) or come and see the Communications Officer at Council Chambers.
