## PROJECTS ARE UNDERWAY AT MARIE BASHIR PARK

---

The Stronger Country Communities Projects from Round One are well and truly underway at Marie Bashir Park.

New solar lighting posts along the main pathway through the park from the Visitor Information Centre to Adams Street have already been installed and are in use.

Construction of the Liberty Swing has also begun. Contractors have put the swing in place, Softfall flooring of the area is near completion and fencing of the perimeter will be installed next.

As more projects continue to roll out in Marie Bashir Park Narrandera Shire Council will continue to provide updates for the community.
