SCHOOL HOLIDAY ACTIVITIES FOR EVERYONE!

The Narrandera Visitor Information Centre team has made it easy for locals, especially those with visiting family and friends, to find family friendly activities to enjoy these school holidays.

The team has put together a guide to entertain and educate families with school aged children with events and activities throughout Narrandera and across the region. The guides can be collected from the Narrandera Visitor Information Centre (Cadell Street, Narrandera) or downloaded from the tourism website at <https://narrandera.com.au/calendar/>.

The family friendly activities range from nature based fun at Grong Grong Earth Park, to walks through the Narrandera Flora and Fauna Reserve. They include educational activities like a visit to the Narrandera Fisheries or Sandhills Artefacts - learning about Wiradjuri Artefacts and culture from Michael Lyons.

If day trips are more to your family's liking, our region offers wonderful outings that include nature, animals, agriculture, chocolate and history. Visit Altina Wildlife Park or learn about cotton on a Southern Cotton Gin tour. Have lunch at the Junee Liquorice and Chocolate Factory or enjoy a day with the planes at Temora Aviation Museum.

There's something for every family these school holidays!

Come in and speak with one of the friendly staff or volunteers at the Narrandera Visitor Information Centre, we can help with any further detail you require and we have information and handouts for many of the activities listed in the guide.
