NARRANDERA CONNECTED

A big crowd is expected at Narrandera Shire Council's marquee event for Small Business Month October.

Narrandera *Connected* will be a business focused activity at the new TAFE NSW Connected Learning Centre in Narrandera on Thursday 25 October and follows an earlier Small Business Month activity in the form of a Business Forum branded Narrandera *Activated* held on 4 October where 30 people attended.

Narrandera *Connected* is supported by the NSW Department of Industry that provided funding to Council to hold business related events in October.

Narrandera Shire Mayor Cr Neville Kschenka said today that this event will provide an opportunity for the Narrandera business community to appreciate the facilities and services at the new \$4.5 million TAFE NSW Connected Learning Centre. A bonus will be the presence of around 25 members of the TAFE NSW Regional leadership team with whom local business people will be able to mingle.

"An excellent line-up of speakers has been arranged and include Heidi Hutchins of Hutchins Bros, Carmel Meznaric, Manager Council Engagement for the Easy to Do Business Program, under the auspices of Service NSW and TAFE NSW personnel, who will outline the new and exciting digital learning pathways available through the new centre" Mayor Kschenka said.

Mayor Kschenka will launch the event and closing remarks will be made by Ms Kerry Penton, Regional General Manager South for TAFE NSW.

There will be ample opportunity for those attending to meet and mingle with guests and canapes and drinks will complement this excellent information and networking opportunity for local business Mayor Kschenka concluded.
