## SUPERVISORS OF LEARNER DRIVERS WERE THE LEARNERS

Narrandera Shire Council in conjunction with the Roads and Maritime Services recently held a two hour workshop for supervisors of learner drivers at Narrandera High School.

The workshop covered a variety of topics relevant to learner driver supervisors, offering practical advice on how to provide the most effective driving practice for the learner driver.

The topics covered at the workshop included the licensing terms for learner drivers, mobile phone use, the contents of the learner driver log book and tips for supervisors.

“The parents and supervisors of learner drivers attending the workshop were very interested in the topics discussed. It is great to see parents and supervisors so involved and passionate when it comes to their learner drivers. Council recognises the important role parents and supervisors play in supporting their learner driver” said Elizabeth Mudford, Narrandera Council’s Road Safety Officer.

“Narrandera High School generously provided their library as a venue for the workshop and encouraged parents and carers of their senior students to attend.”

“Parents and supervisors who attended the course found it boosted their confidence levels, helped them understand the learner driver log book and plan better driving sessions. It also allowed them to share their experiences, thoughts and feelings with other supervising drivers” said Ms Mudford.

The next workshop for supervisors of learner drivers will be held in the coming months. For further information or to register your interest in attending the next ‘Helping Learner Drivers Become Safer Drivers’ workshops, please contact Elizabeth Mudford at Narrandera Shire Council on 02 6959 5510.
