EAST STREET BEAUTIFICATION BEGINS

Infrastructure works will begin Monday 17 June to build a new gateway entry point, enticing travellers into Narrandera's shopping precinct.

The East Street Whitton Street (Newell Highway) T-intersection rejuvenation project is part of the Narrandera Business Centre Master Plan, which is aimed at creating a pedestrian friendly and inviting space for residents and visitors to enjoy. Key aspects of this intersection project include an entry rumble strip, new blisters with garden beds, paved footpaths to complement the existing pathways, seating and soft landscaping.

During this time the East Street section of the intersection will be closed to traffic to ensure the safety of the public and workers at all times. Detours will be in place to ensure access to all properties in the vicinity.

This project is one of eight funded through the Australian Government.

For more information contact Council on 02 6959 5510 or email council@narrandera.nsw.gov.au.
