

# Narrandera Business Centre Master Plan

## Project 1 Bulletin

**Narrandera Shire Council (NSC)** have engaged **Spiire Australia** to prepare the Narrandera Business Centre Master Plan.

This Master Plan project is an identified recommendation outlined in the 2011 Narrandera Business Centre Strategy report.

The Master Plan will ensure this important commercial and cultural centre is developed in ways that are:

- sensitive to the location and culture of Narrandera
- reflective of the community's views
- embracing of 'best practice' for asset management and sustainability

The Master Plan will provide a framework for ongoing and staged improvements to the town centre. The nature of these improvements have not yet been determined and the community's input into the decision making process is critical.

## What is a Master Plan?

A Master Plan is a strategic document that outlines the intended developments for a site. In the case of the Narrandera Business Centre Master Plan, the project will investigate and provide guidance on:

- Providing design for spaces and footpaths in the town where people can gather and socialise – ensuring that people with mobility restrictions can adequately access all facilities
- Developing safe pedestrian and cycling facilities
- Improvements to pavements and access as required
- Landscape and street tree planting, street furniture and public art installation
- Environmental sustainability including Water Sensitive Urban Design
- To ensure any changes are able to be maintained and managed by the Narrandera Shire Council

## How can you be involved now? Have your say!!

We would love you to be involved – here's how:

- **Complete the initial Community Feedback form now** (available online at the Council website or hard copy available at the Council Office and Library) *Feedback closes 12 December 2014*
- **Attend the Listening Post in town on Thursday 4 December 2014** to chat face to face with the project team and share your views on town centre improvements
- Keep up to date with the project on the Council website [www.narrandera.nsw.gov.au](http://www.narrandera.nsw.gov.au)
- Workshops with key stakeholders (at various times)

# Narrandera Business Centre Master Plan

## Narrandera Study Area

Narrandera's Business Centre Master Plan is being developed by Spiire and Narrandera Shire Council in partnership with the community, and will take into account Narrandera's role in serving residents and visitors in the Shire, while also considering recent changes to the town centre such as paving areas and recent traffic and parking trials.

The figure adjacent outlines the extent of the study area. Master Plan designs will be prepared for East Street, Douglas Street, Bolton Street and Twynam Street. Other key areas within the town will be considered as part of this project.

Study Area

## Project Outline

## More Information

If you would like to discuss the project, the process or have any questions please contact Narrandera Shire Council by phone on 6959 5510 or by email [council@narrandera.nsw.gov.au](mailto:council@narrandera.nsw.gov.au)

or Simon Eakin at Spiire on 6051 1300 or by email [Simon.Eakin@spiire.com.au](mailto:Simon.Eakin@spiire.com.au)
